# At home in the equestrian world

ROELOFSEN HORSE TRUCKS HAS BEEN PROVIDING HIGH-QUALITY SOLUTIONS FOR TRANSPORTING HORSES SINCE 1987. IN FACT, WE ARE PROUD TO BE A MARKET LEADER IN OUR FIELD. WE KNOW THE EQUESTRIAN WORLD AND ARE WELL AWARE OF ALL ASSOCIATED NEEDS AND PREFERENCES.

## Made in the Netherlands

Using a network of carefully selected dealers, we supply customized solutions throughout Europe. Our portfolio ranges from practical basic transport equipment to very luxurious trucks, all built in-house. This is Dutch manufacturing at its best, with the assurance of many carefree kilometres.

# Parados, it's all in the details

THE PARADOS CAN BE DRIVEN WITH A CATEGORY B DRIVING LICENCE AND IS EQUIPPED FOR TRANSPORTING 1 OR 2 HORSES. DESIGNED WITH AN UNMISTAKEABLE EYE FOR DETAIL, THE PARADOS IS COMPACT ON THE OUTSIDE AND SPACIOUS WITHIN, WITH PLEASANT SILENCE AS AN ADDED BONUS.

This two-horse van is the ultimate in safety, convenience and comfort for humans and animals alike. In addition to the basic equipment, you can choose from extensive option packages and colour schemes.

## Manageable costs

The Parados is built from extremely sturdy materials. As a result, it will last you a long time, with low maintenance costs and a high residual value guaranteed. If you would rather lease a Parados than buy one, Roelofsen offers several interesting possibilities as well.

# Parados Sport, pure dynamics

THE PARADOS SPORT IS THE BESTSELLING MODEL OF OUR TWO-HORSE VAN. SPECIAL LIGHTS AND A UNIQUELY DESIGNED REAR SPOILER MAKE FOR A DYNAMIC APPEARANCE – OBVIOUSLY, WITHOUT COMPROMISING ON SAFETY, EASE OF USE AND COMFORT.

## The choice is yours

The Parados Sport's standard equipment is complete to say the least. Additionally, you can have your horse van tailored to your liking with multiple options for, among other things, the horse compartment, upholstery and paintwork. Moreover, this sporty Parados is available with both automatic and manual transmissions. It's all up to you!

Parados Comfort

# Parados Comfort, The perfect five-seater

THE DOUBLE CABIN MAKES THE CAR SUITABLE FOR FIVE PEOPLE, IDEAL FOR GOING TO AN EQUESTRIAN EVENT WITH THE FAMILY.

The Parados Comfort is built on the same wheelbase as our Parados Sport, allowing you to keep a small turning circle but still have the convenience of the extra seats. The car has a compact tack room and the horse section is at 2.5m, spacious enough for the average horse. The horse section

can optionally be set up for 3 ponies. Unique compared to the other 5-seater horse trucks on the market, is the interior height of 2.38m, the larger maximum load and the longer loading ramp without a step.

Parados Sport

# Parados Comfort XL, pure perfection

CHARACTERISTIC OF THE PARADOS COMFORT XL IS THE DOUBLE CAB, THEREFORE THERE ARE FIVE SEATS IN COMBINATION WITH A SPACIOUS HORSE AREA.

The Comfort XL is built on a MAN TGE with a luxurious eight-speed fully automatic transmission. In the MAN TGE you feel like the king of the road, thanks to the excellent driving characteristics and luxurious cabin.

Because the MAN TGE has a longer wheelbase than the Renault, the horse area and tack room in the Comfort is just as spacious as you are used to from the Parados Sport.

The car is available as a B driving license and as a C1 version

Parados Sport XL

# Parados Sport XL, ultimate driving comfort

THE PARADOS SPORT XL IS BUILT ON A MAN TGE AND IS AN EXTRA SPACIOUS AND COMFORTABLE HORSE TRUCK FROM ROELOFSEN.

The Sport XL with MAN chassis has a luxury eight-speed fully automatic transmission characterised by excellent handling and a luxury cabin. The Sport XL has a longer wheelbase than the Parados Sport which

creates extra space in the horse area and especially in the tack room. If desired, it is also possible to upgrade this car to a C1 version.
