ROELOFSEN HORSE TRUCKS HAS BEEN PROVIDING HIGH-QUALITY SOLUTIONS FOR TRANSPORTING HORSES SINCE 1987. WITH A WEALTH OF EXPERIENCE AND A HIGH DEGREE OF SPECIALIZATION WE LEAD THE DUTCH MARKET AND ARE AMONG THE MAJOR PLAYERS IN EUROPE.

Made in the Netherlands

We know the equestrian world and are well aware of all associated needs and preferences. Using a network of carefully selected dealers, we supply customized solutions throughout Europe.

Our portfolio ranges from practical basic transports to highly luxurious trucks, all built in-house. This is Dutch manufacturing at its best, with the assurance of many carefree kilometers.

Quality in customization

ROELOFSEN HORSE TRUCKS EQUALS QUALITY WITHOUT COMPROMISE. OUR EXPERIENCED CRAFTSMEN ONLY WORK WITH THE VERY BEST MATERIALS AND USE HIGHLY SOPHISTICATED TECHNIQUES AND EQUIPMENT. AS THE ENTIRE CONSTRUCTION PROCESS TAKES PLACE IN OUR OWN WORKSHOP IN THE NETHERLANDS, WE LITERALLY HAVE IT ALL UNDER CONTROL.

In everything we do, we are always on the lookout for possible innovations and other means to take the quality of our products to an even higher level. To that end, we also listen carefully to feedback received from horse lovers and transporters who use our trucks in practice. Our ultimate goal is to provide comfortable and safe transportation for riders and horses alike.

Tailor-made for you

Our trucks and trailers are by no means standard products. Consequently, what you see in this brochure is merely an indication of what we have to offer. We take pride in developing tailor-made transport solutions. Custom-built for you, no matter what type of equestrian sport you are in and how many horses you wish to transport. From nice and simple to downright opulent, it's all up to you.

The heart of your horse truck

MANY CONSIDER THE HORSE COMPARTMENT TO BE THE MOST VITAL PART OF OUR TRUCKS. AFTER ALL, THIS IS WHERE THE DIFFERENCE IS MADE IN TERMS OF COMFORTABLE AND SAFE HORSE TRANSPORT – AND, AS A RESULT, WHERE PERFORMANCE IN COMPETITION IS DETERMINED.

The choice is yours

As to the amenities that come with your living compartment, that is entirely up to you. You can even choose to achieve a level of luxury to surpass that of most hotel rooms. We offer a wide range of fabrics, colours, materials

and designs for walls, floors, furniture and windows. In short, it's all you need to create an interior that perfectly matches your taste and preferences.

We can also fit your living compartment with a fully equipped kitchen. Some of our truck models offer additional options including multiple beds, a luxurious bathroom and a spacious seating area with TV. Talk about easy living!
